**A NEW LOOK FOR LEGACY**

***The Legacy Club at Alaqua Lakes Unveils Their New Greens to Members***

*Longwood, FL* – The Legacy Club at Alaqua Lakes announced today it has completed its greens renovation project and will be re-opening for members on Wednesday, August 27<sup>th</sup>, with guest play beginning the following Saturday, August 30<sup>th</sup>.

The project, which began nearly three months ago, replaced all the greens with Champion Bermuda turf, an ultra-dwarf grass that allows for very low cut heights and produces excellent putting surfaces. Golf course superintendent, Mike Stem, has been keeping a close eye on the greens, adjusting mower heights to increase speed and topdressing each week to ensure the smoothest putting surface possible. In addition to the green and course improvements, The Legacy Club is also undergoing clubhouse renovations which will be completed early this fall.

“We are very excited to introduce the new greens to our members,” said Ron Parris, general manager at The Legacy Club at Alaqua Lakes. “With the addition of these brand new Champion Greens, the subsequent clubhouse remodel and a great group of members, The Legacy Club is positioned to be the finest private club experience in North Orlando.”

**The Legacy Club at Alaqua Lakes** features a 7,160-yard par-72 layout and is an Audubon International Signature Certified Sanctuary golf course. The nature-laden course is decorated with thick stands of ancient hardwoods, native palms surrounding lush greens, undulating fairways, shimmering lakes and pristine bunkers. *Golf Digest* has previously honored the Club with a "Best Place to Play" award and rates it as 4 ½ Stars.

The Legacy Club at Alaqua Lakes is located at 1700 Alaqua Lakes Blvd., Longwood, Fla. 32779. For more information, call (407) 444-9995 or visit [www.legacyclubalaqualakes.com](http://www.legacyclubalaqualakes.com).
