A NEW LOOK FOR LEGACY

The Legacy Club at Alaqua Lakes Completes Greens and Clubhouse Renovations

Longwood, FL – The Legacy Club at Alaqua Lakes celebrates its grand re-opening today with an unveiling of the newly renovated clubhouse and golf course greens. The Legacy Club's clubhouse project included expanding their dining room, creating a new ladies locker and card room and putting in state-of-the-art meeting spaces. The clubhouse project follows the opening of the golf course which now features ultra-dwarf Bermuda grass, but stayed true to the excellent Tom Fazio design.

“We are very excited about the completion of these projects,” said Ron Parris, general manager at The Legacy Club at Alaqua Lakes. “We have created an oasis for members to enjoy outstanding golf and a first-class experience. I believe the club is now poised to be the leading private club in Central Florida.”

The Legacy Club at Alaqua Lakes features a 7,160-yard par-72 layout. The nature-laden course is decorated with thick stands of ancient hardwoods, native palms surrounding lush greens, undulating fairways, shimmering lakes and pristine bunkers. *Golf Digest* has previously honored the Club with a "Best Place to Play" award, and rates it as 4 ½ Stars. The Legacy Club holds the distinction of being one of only 50 facilities in the world to be certified as an Audubon International Signature Certified Sanctuary golf course.

The Legacy Club at Alaqua Lakes is located at 1700 Alaqua Lakes Blvd., Longwood, Fla. 32779. For more information, call (407) 444-9995 or visit www.legacyclubalaqualakes.com.
